

Relay For Life A Team Event To Fight Cancer

24 Hours You'll Never Forget

2nd Annual
Relay for Life of Menifee
June 9-10, 2007
Mt. San Jacinto College

Join The Team!

Lace up your tennis shoes, pack your tent and sleeping bag, and join the fun. Be a part of the American Cancer Society's *Relay For Life!* Get a group of friends, family, co-workers, schools, churches or clubs together as a *Relay* team and join us for 24 hours of fun, excitement, and an all-around good time. We'll have music, food contests, awards and prizes. And, at the same time, we will honor the courageous spirit of those battling cancer. You don't have to be a track star to be a winner in this race for life.

Camp Out For A Cure

A festive atmosphere sets the tone in "Tent City." *Relay* participant's set up camp, make new friends, catch up with old ones, enjoy local entertainment, play games, share experiences, and get a little shut-eye between laps. So bring your sleeping bag and spend the night, you won't want to miss the action!

Cancer Survivors Walk With Courage

If you are a cancer survivor, you won't want to miss the cancer survivor's lap, which opens *Relay For Life*. Cancer survivors walk the initial lap along with their caregivers, the first of many before we reach the finish line. This lap symbolizes the courage survivors, their caregivers and families display and sustain in their lives.

On The Right Track

The American Cancer Society's goal is to eliminate cancer. We fund more cancer research than any other private organization in the country. We have funded 38 Nobel Prize winning researchers, who have helped save countless lives. We are rated in the Top 10 best managed non profit organizations.
